Principal’s Report

Friday May 10th is one of our allocated Curriculum Days hence all staff will be participating in Professional Development programs on that day. As Friday is a TAFE day at Kangan for a number of students, those students who travel independently and are comfortable in attending classes without support from Montague staff, are encouraged to attend as normal. However there will be no programs at Montague on May 10th.

Many students have programs/sporting activities outside the school and they are all very keen to share these experiences. Today at circle it was great to hear how Lyndal and Toni regularly go to the gym, Sam played for his footy team Williamstown yesterday, Jayden does weekly karate sessions and Kate, Kushboo and Tanara worked at Elanora Nursing home on Saturday afternoon as part of the Coffee Making course they are doing.

Congratulations to Natasha and her partner Jimmy on the birth of Isla Neille on 30th March, we look forward to a visit.

Past Students
Over the past week we have had a number of visits from past students, it is so great to see them and hear of their ventures since leaving Montague. All the students are working or continuing with courses, the current students are always inspired and motivated by these visits.
