Student Contributions

Once again students have contributed to our newsletter. Students take great joy and pride in sharing their experiences, so I do hope you gain much from their insights.

Our condolences to Peter Smith and his family on the passing of his mother last week.

Our congratulations to Cameron on his recent engagement.

Geri Charles
Noah made pancakes for us on Thursday. I didn’t expect BLUE pancakes. They were okay. Everyone seemed to like them.

He served them with pink cream. Ash drank blue milk.

Next time can you leave them plain?
Duke Of Ed camp. Trip to Warburton Rail

I DON'T KNOW WHO MY TRUE FRIENDS ARE!

Josh

Noah is a true friend because
He's' funny.
And he likes the same things I like.
We're both jokers.

Kailup is a true friends because
I've known him since childhood.
We hang out a lot.
We like the same sort of things.

Brady is a true friends because
He comes up with the most random stuff.
He makes me laugh.
He doesn't have a good aim.

Toni is a true friends because
She not annoying for a girl.
She cracks me up sometimes.
My brain has just gone prrrrr.

Amina is a true friends because
She funny as she takes funny things,
To the next level.
We just laugh and laugh.
Last term I got my RSA (Responsible Service of Alcohol) at RMIT TAFE. I also got my First Aid over the weekend at the Australia Red Cross training centre.

What I learned

How to recognise if someone is intoxicated.
How to help someone if they are having trouble breathing.
I got these certificates because they will look good on my CV.

Phillip Pearson
2k15 Duke Practice camp

On Monday we all came to school bright and early we hooked the trailer up and off we went. I took us about an hour and 20 minutes to get to Warburton. When we got there we went to our caravan park and unpacked. We headed down to the street to have a coffee and a look around. From there we went for a walk to the Ada tree. We felt like pigs because every step of the way was just slosh because it was wet up there. We went back to the cabins had showers and cooked dinner, after dinner we sat down and just talked until bed time. We got up at 6am got ready, cooked breakfast and head down to the starting line. We went on a 40km bike ride from Warburton to lily dale and then at lily dale we got on the bus and came home.

5.5.15
A Trip to Geelong

Today, Johnathan, Nicholas and Zac travelled to Geelong from Montague to deliver all the student colour scarfs that had been made.

The scarfs were hand made by the students and are going to be part of a competition.

The scarfs will be part of the Scarf Festival which is about coastlines and the festival is from 5th June to 2nd August.

The Wool museum was made in 1988 and now also has an information centre inside to ask questions about Geelong.

On the way to Geelong we passed 11 suburbs in order; South Melbourne, Williamstown, Altona, Laverton, Point Cook, Hoppers Crossing, Werribee, Little River, Avalon, Lara and then Geelong.

After we left the museum we went for lunch at Westfield and we had hot chips, subway and sushi then we got on the bus and went back to school.

It took us about one hour to get to the wool museum and about three hours for the whole trip.

By Zac, Johnathan and Nicholas
